- For further questions, contact us at [yuletideeagfwc@gmail.com](mailto:yuletideeagfwc@gmail.com).

## **Set Up of Craft Space**

- The setup can start at 7am on the day of the fair. Unfortunately, it is not possible to set up the night before due to sports activities in the Gym.
- Doors open to public at 9am.
- A numbered spot(s) is allocated each crafter and a name tag will confirm your spot location.
- Crafter's entire display including table(s), racks and storage boxes must fit within the spot boundaries.
- When electricity is requested bring extension cords and power strips, as power outlets are limited and might be shared with other crafters.
- Power cords are not allowed to cross the walkways. They must be taped down - so bring your own duct tape.
- **Do not take down any school paperwork from the walls.**

Lunch – At this time, we are uncertain as to what protocols will be in place in November regarding food service and consumption. As the fair draws near, we will reach out to our approved vendors for meal options for purchase. We hope to offer free coffee before 9am as we have done in the past.

WiFi Is available and the password can be obtained the morning of the fair.
