

**Exeter Area GFWC
44th Annual Yuletide Fair
Saturday, November 23,2024
9:00 am -3:00 PM
Cooperative Middle School, Stratham, NH**

This fair is open to any crafter. **All the products being sold must be handmade by the crafter.** Our fair committee will approve all applications received. This is not a juried fair, so pictures of your craft are not required except for first time applicants. With the overwhelming number of applicants, we feel the need to limit the number of spots for the **same** type of craft items. If these spaces are full, you will be placed on a wait list, and we will contact you if a space becomes available. **Manufactured items will not be presented at the fair. Any types of items not listed on your application cannot be sold. Only one vendor will be allowed to sell per space.**

Each crafter will purchase a numbered spot that must fit your entire display, including tables, racks, and storage boxes. Spaces are available in the gym, hallway, and cafeteria (limited spaces available in cafe). Spots are assigned to crafters upon receipt of the registration forms and payment in addition to approval of your craft. Please indicate on the registration form if you have any special needs or requests. We will do our very best to fill every request, but unfortunately, there are no guarantees. If you are requesting the same spot that you had last year, please note the location on your application. But be aware that while we will try to accommodate your request, we cannot guarantee that you will be in the exact location. **This year we are making some changes to improve the shopping traffic flow.** Once approved for the fair, and a spot reserved for you, we will deposit your check. Your cancelled check will serve as your acknowledgement. **It then becomes non-refundable.**

You will receive an official confirmation letter in September. Please note that we fill our crafter spaces within a short time after applications become available, so the sooner you send in your application and deposit, the better.

We are not able to offer table rental this year. All crafters must supply their own table and chairs.
All crafters must have all boxes and extra inventory stored under their tables or behind their displays.

Gymnasium/Cafeteria	10 x10	\$100
Hallway	12 x 6	\$ 85
Hallway	8 x 6	\$ 70

All tables and chairs must have rubber stoppers on the bottoms of the legs, or they will not be allowed.

Please make checks payable to: **EAGFWC**

Send your check and registration form
along with a self-addressed stamped
